

Year 9 2026 Subject Selection

Westfields Sports High School

Subject selection process

Subject Selection Process

1. Westfields Sports High School Curriculum Handbook

This booklet contains important information about:

- Information about the ROSA;
- Rules and procedures;
- Mandatory courses;
- Elective courses offered at Westfields;
- Course fees and other information.

Read the information in this booklet carefully before completing your elective survey.

Subject Selection Process

2. Parent-teacher interviews

On parent-teacher night, you will be able to:

- Seek advice from your teachers about subjects on offer;
- Receive a personal subject selection sheet with a code for access to the subject selection survey.

Subject Selection Process

Students who do not attend parent-teacher interviews must collect their code from their Deputy Principal the following day.

Subject Selection Process

3. Elective survey

The elective survey requires you to:

- Select 3 preferred electives from most desired to least desired;
- Select reserve electives in case you cannot be placed in a preferred course.

Subject Selection Process

4. Return your survey

To complete your subject selections, you must:

- Submit your survey online by the due date;
- Complete a handwritten copy of your preferred subjects to your Deputy Principal's office. This must be signed by you and a parent or carer.

Your online survey must match the information written on your signed sheet.

Subject Selection Process

5. School review of elective data

The school will:

- Analyse your course preferences;
- Interview students as needed;
- Generate elective lines and classes;
- Provide you with your subjects later this year.

You may not receive all subjects you have requested.

Subject selection survey

Subject Selection Survey

Tonight night, you will receive a sheet with information about the elective survey.

It will include:

- Your name and program;
- The URL for the survey;
- Your unique webcode.

Deligiorgakis, Mr J

Rugby League

Dear Mr J,

Please read the following information carefully to nominate your 2025 Year 9 electives:

1. Read the **Stage 5 Curriculum Handbook 2025-2026** carefully.
2. Open your web browser and navigate to: <https://my.edval.education/>
3. Enter your Webcode. Every student has a unique code attached to their profile.

Your Webcode is: DELI25

Students in the Talented Sports Program will see a form that specifically includes their sport. If you are directed to the wrong form, see Mr Deli in the English staffroom as soon as possible.

4. Select your preferred electives in order of preference. The subject you most want should be selected first. You must select a subject in every box, including reserves.
5. Submit your online form.
6. Complete and sign the hard copy of the form below. This must also be signed by your parent/carers. **Your hard copy must match the subjects selected in the online form.**
7. Return the hard copy to the box outside your supervising Deputy Principal's office by Friday 26 July (Term 3, Week 1).

Advice for selecting subjects

Advice for selecting subjects

When selecting subjects, you **should**:

- Seek advice from your teachers, Deputy Principal and Careers Adviser;
- Select subjects **in order of preference**, including your reserves. Not all subjects on offer will run;
- Complete your survey and return your form as soon as possible.

Advice for selecting subjects

When selecting subjects, you **should**:

- Select subjects that you like;
- Select subjects that you are interested in;
- Select subjects that you think you will be good at;
- Select subjects that relate to your career and education goals.

Advice for selecting subjects

When selecting subjects, you **not**:

- Pick subjects because you think you will be with your friends;
- Pick subjects because you prefer one teacher over another;
- Select subjects in the survey that do not match what is written on your form.
